REPORT

OF THE

ESTATES COMMISSIONERS

FOR

THE YEAR ENDING 31ST MARCH, 1911.

AND FOR

THE PERIOD FROM 1ST NOVEMBER, 1903, TO 31ST MARCH, 1911.

To HIS EXCELLENCY JOHN CAMPBELL, EARL OF ABERDEEN,

LORD LIEUTENANT-GENERAL AND GENERAL GOVERNOR OF IRELAND.

The Estates Commissioners beg to submit the following Report of their proceedings under the Irish Land Act, 1903, the Evicted Tenants Acts, 1907–8, and the Irish Land Act, 1909, during the year ending 31st March, 1911, together with a summary of their proceedings for the period from 1st November, 1903, to the 31st March, 1911.

To expedite the payment of the purchase-money of sales pending under the Act of 1903, at the passing of the Act of 1909, Section 3 of the latter Act enabled Vendors in such pending sales to elect to take payment either wholly or partly in guaranteed 2¾% stock at 92, and section 4 of the Act gave Your Excellency power to make Regulations for determining the priority in which advances, whether by means of money or of stock, or partly by means of money and partly by means of stock, may be sanctioned or made, and for allocating as between the different classes of sales the amounts available for advances.

The following statement shows the extent to which these provisions have been availed of:—Under the Regulations made in respect of the Financial Year commencing the 1st April, 1910,* Vendors of Estates in respect of which Direct Sale Agreements had been entered into under the Act of 1903, made application to take payment of the purchase-money of their Estates as follows: in half stock half cash £7,141,249, and wholly in stock £1,895,887, leaving on the All Cash Register Direct Sale Estates under the Act of 1903 of a purchase-money of £37,157,152. In the year under review the Commissioners advanced £5,955,268 in Direct Sales pending under the Act of 1903, as follows: In all cash £2,285,905, in half stock half cash £2,723,205, in all stock £946,158. Under the Regulations for the Financial Year commencing the 1st April last† further applications in Direct Sales pending under the Act of 1903 have been received as follows:—half stock half cash £4,369,157, and in all stock £1,655,204. Including the cases not paid on the 31st March, last, and allowing for cases in which the advances were refused, &c., there were on the 1st April, 1911, pending Direct Sales under the Act of 1903, as follows; on All Cash Register £28,625,616, on half stock half cash Register £8,723,199, and on All Stock Register £2,558,514.

Advances made in respect of Purchase Agreements in Direct Sales lodged after the 15th September, 1909, and in respect of Agreements entered into by or with the Land Commission or the Land Judge or the Congested Districts Board after that date, are made by means of the issue of an amount of Guaranteed 3% stock equal in nominal amount to the sum advanced and are repayable by Annuities at 3½% under the Irish Land Act, 1909, save as regards certain Estates and lands pending for sale under the Act of 1903 to the Commissioners and the Board at the passing of the Act of 1909 which are to be paid in cash, with 3¼% Annuities on resale.

* Appendix B to Report for 1909–10.

The total advances made by the Estates Commissioners in all classes of sales during the year and period ended 31st March last were as follows :—

—	Year ended 31st March, 1911.	Period from 1st November, 1903, to 31st March, 1911.
	£	£
In all Cash, . . .	3,143,246	37,050,702
In half Cash half 2¾ per cent. Stock, .	2,723,205	2,723,205
In all 2¾ per cent. Stock, . .	946,158	946,158
In 3 per cent. Stock, . . .	377,874	377,874
Total, . . .	7,190,483	41,097,939

The advances in year ended 31st March last (£7,190,483) exceeded those made in any previous year under the Land Purchase Acts.

A number of additional Tables giving particulars of the Sales under the Act of 1909, are appended to this Report.

Where not otherwise stated, the expression "period" in this Report means the period from 1st November, 1903, the date on which the Irish Land Act, 1903, came into operation, to 31st March, 1911, and the expression "year" means the year ended 31st March, 1911.

The expression "first term judicial rent" means a judicial rent fixed or agreed to before the 14th August, 1896, and the expression "second term judicial rent" means a judicial rent fixed or agreed to since that date.

The expression "Parcels" used in the Tables of this Report refers to parcels of untenanted land sold or agreed to be sold to purchasing tenants and others, either as enlargements of existing holdings or as new holdings and where such parcels have been consolidated with the existing holdings of the purchasers it is so stated.

The references in brackets throughout the Report are to the sections of the Act of 1903, unless where otherwise specifically stated.

I.

Direct Sales by Landlords to Tenants, *i.e.*, to Persons other than the Land Commission (Sections 1 to 5).

Originating Applications lodged.

During the period from 1st November, 1903, to 31st March, 1911, there were lodged 8,138 Applications, originating proceedings by Vendors for the sale of Estates to persons other than the Land Commission; 116 of these Applications were lodged in the year ended 31st March, 1911; the number lodged during the previous year was 144.

During the period, 32 of the applications lodged were withdrawn and 100 refused, the numbers for the year ended 31st March, 1911, being 4 and 5 respectively, and for the previous year, 2 and 9 respectively.

Table I appended to the Commissioners' last Report, viz:—Return of applications for Advances in Direct Sale Purchase Agreements under the Act of 1903 lodged in the year ended 31st March, 1910, at 3¼% Annuities, included the Agreements under that Act lodged between the 1st April, 1909, and the 15th September, 1909, but it has been ascertained that a number of Agreements under the Act which had been lodged prior to the 1st April, 1909, but which were dealt with for the purposes of examination in the year 1909–10 had been included in error in the Return. The figures in this Return were repeated in the summary given on pages v. and xiv. of the Report, but the figures in the cumulative Return (Table II.) and its summary on pages v. and xv. of the Report are correct. The Commissioners much regret that the mistake was not detected before the publication of the Report and they have now inserted in the Appendix to this Report a revised Return (Table XXXIX) giving particulars of the Purchase Agreements under the Act of 1903, lodged in the period from 1st April, 1909, to the 15th September, 1909.

Loss under Sections 6 (4) and 44.

In the year and during the period ended 31st March last, the Commissioners certified to the Lord Lieutenant in respectively 7 and 31 estates (congested within the meaning of Section 6 (5) of the Act of 1903) that the purchase and resale of the estates were desirable in view of the wants and circumstances of the tenants. In 3 of these 31 estates the resales have been completed without any loss within the meaning of Section 44, the necessary improvements having been made by means of grants from the Reserve Fund not repayable. As regards the remaining 28 estates, 23 have been purchased by the Commissioners and the purchase of five is pending. In 12 of these estates, purchased for £174,180, the Lord Lieutenant has directed that the conditions in Section 6 as to resale without prospect of loss may be relaxed to the extent of £11,194, or 6·4 per cent. on the purchase money, such loss, when incurred, to be charged on the Land Commission Vote pursuant to Section 44 (2), and the Commissioners have sanctioned the expenditure of £16,273 for the benefit and improvement of these estates out of the Reserve Fund. In the other cases the arrangements for resale are not yet sufficiently advanced to enable the estimate of loss on resale to be made.

It may be observed that the particulars in the foregoing paragraph refer only to those congested estates on the purchase and resale of which by the Commissioners it is contemplated that a loss chargeable on the Land Commission Vote should be incurred. The general operations of the Commissioners connected with the purchase and resale of untenanted land for the enlargement of holdings and relief of congestion are set forth on pages xiv. and xv. of this Report, and the expenditure sanctioned for the benefit and improvement of estates is given on page xviii.

Negotiation Fees (*Section* 23, *s.s.* 11 *and* 12).

During the year ended 31st March, 1911, the Commissioners sanctioned, under section 23, s.s. 12 of the Act of 1903, Negotiation Fees in respect of 345 estates on which an agent had been employed by the Vendor to negotiate the sale of such estates to persons other than the Land Commission. The total fees sanctioned amounted to £65,313 6*s.* 11*d.*, which sum represents an average percentage of 2·5 on the aggregate purchase moneys. The total amount of fees sanctioned from the commencement of the Act up to the 31st March, 1911, was £420,183 11*s.* 10*d.*, in respect of 1,531 estates, the average percentage being 2·5.

During the year under review, fees amounting to £2,665 13*s.* 9*d.* were, with the assent of the Treasury, paid, under section 23, s.s. 11, as part of the expenses of the Land Commission to negotiators of sales of estates to the Commissioners under sections 6, 7 and 8, this sum representing 0·53 per cent. on the aggregate purchase moneys. The total amount paid during the period from the commencement of the Act up to 31st March, 1911, was £12,569 4*s.* 4*d.*, this sum representing 0·51 per cent. on the aggregate purchase moneys. In the case of estates sold to the Land Commission, the duties of the Negotiator are, as a rule, confined to negotiating the sale of the property to the Commissioners ; the arrangements for the resale to the tenants, including the striping and allotment of untenanted land, the re-arrangement, enlargement, and improvement of holdings, are carried out by their Inspectors and other officials.

XIV.

Questions of Law (*Section* 23, *s.s.* 1).

In the year ended 31st March, 1911, the Judicial Commissioner decided 14 questions of Law referred by the Estates Commissioners, pursuant to Section 23 (1) of the Act of 1903, making a total number of 120 decided in the period from 1st November, 1903. to 31st March, 1911.

XV.

Accommodation for Labourers.

During the period ended 31st March, 1911, the Commissioners forwarded to Rural District Councils and to the Local Government Board 162 representations or reports advising that 278 cottages should be erected to supply the needs of 240 holdings. 12 representations or reports were transmitted in the year for the erection of 21 cottages to supply the needs of 20 holdings. Advances amounting to £2,749 have been made to agricultural labourers under Section 2 of the Act of 1903 and Section 19 of the Labourers (Ireland) Act, 1906.

Information as to the Advances made to Rural Councils pursuant to Section 16 of the Labourers Act, 1906, is given in the Report of the Irish Land Commissioners for the year ending 31st March, 1911.

XVI.

Sporting Rights (*Section* 13).

In the 4,193 estates for the purchase of which advances were made during the period from 1st November, 1903, to the 31st March, 1911, the sporting rights were dealt with as follows:—

In 79 estates exclusive sporting rights were preserved to superior landlords.

In 4,114 estates sporting rights within the definition of Section 13, s.s. 2, of the Irish Land Act, 1903, were vested as follows:—In 2,691 estates in the purchasers; in 680 in the vendors; in 281 in the purchasers concurrently with the superior landlords; in 8 partly in the purchasers and partly in the superior landlord; in 10 partly in the purchasers and partly in the Land Commission; in 61 in the vendors concurrently with the superior landlords; in 35 in the Land Commission concurrently with the superior landlords; in 66 partly in the purchasers and partly in the vendors; in 48 in the vendors for life, afterwards in the purchasers; in 14 partly in the vendor and partly in the Land Commission; and in 141 in the Land Commission.

It will be observed that the number of estates in which the exclusive sporting rights have been vested in the Land Commission is small, and it has not been found that the sporting rights on these Estates are of value. In 10 cases, however, the sporting rights have been leased by the Commissioners.

XVII.

XVIII.

Evicted Tenants.

Section 2 (1) (*d*) of Irish Land Act, 1903.

Applications by evicted tenants or their representatives are made under Sub-section 1 (*d*) of Section 2 of the Irish Land Act, 1903, which provides that advances for the purchase of parcels of land may be made to, amongst others:—

> "A person who within twenty-five years before the passing of this Act was the tenant of a holding, to which the Land Law Acts apply, and who is not at the date of the purchase the tenant or proprietor of that holding; Provided that in the case of the death of a person to whom an advance under this paragraph might otherwise have been made, the advance may be made to a person nominated by the Land Commission as the personal representative of the deceased person."

This sub-section was repealed under the Irish Land Act, 1909, but re-enacted in practically similar terms under sub-section 1 (*c*) of Sec. 17 of that Act.

Evicted Tenants.—continued.

Evicted Tenants Commission Report, 1893.

At the time the Act of 1903 came into operation, the Estates Commissioners had no direct evidence of the number of persons who might be expected to apply pursuant to this Sub-section. It appears, however, from the Report of the Evicted Tenants Commission, dated the 25th February, 1893 (Parliamentary Paper Cd. 6935 of 1893), that there were on the 17 Plan of Campaign Estates enquired into by the Commission, 884 tenants out of occupation of their holdings at the date of the Report, also that 2,755 applications had been received by that Commission from evicted tenants or their representatives in respect of Estates other than the Plan of Campaign Estates specially enquired into by that Commission, making a total at that date of 3,639 applicants.

No. of applications for reinstatement received (Table xxviii).

Applications to the Estates Commissioners under Section 2 (1) (*d*) of the Act of 1903, began to come in as soon as the Act came into operation, and have been received in the following numbers:—

Special Report of June, 1907.

In their Special Report, dated the 11th June, 1907 (Cd. No. 3570 of 1907), the Commissioners summarized the result of their proceedings up to the 31st May, 1907, in respect of the applications received to that date, and explained their practice and the principles they act on in dealing with applications.

No. of applications rejected.

Of the applications received to 31st March last, 1,672 were outside the provisions of Section 2 (1) (*d*), the applicants having been evicted from their holdings more than 25 years before the passing of the Act or from holdings to which the Land Law Acts do not apply; 4,604 applications were rejected by the Commissioners after inquiry, for one or other of the reasons mentioned in paragraph 20 of the Special Report of 11th June, 1907, making a total of 6,276 applications rejected.

No. of Evicted Tenants reinstated or provided with new holdings.

On the 31st March last, 1,625 evicted tenants (or their representatives) had been reinstated in their former holdings or provided with other holdings by landlords, with the assistance where necessary of grants by the Commissioners, and 1,205 were reinstated or provided with other holdings by the Commissioners on Estates purchased by them, making a total of 2,830 evicted tenants reinstated or provided with other holdings to 31st March last.

It should be explained that in the case of 486 of the 1,625 reinstated by landlords, the restoration was the direct result of the intervention by the Commissioners, and at prices suggested and sanctioned by them, but, as the Estates on which the holdings were situate were being sold direct by the owners to the tenants, the owners entered into agreements direct with the evicted tenants at the prices estimated by the Commissioners.

The Commissioners have provisionally noted the names of 661 applicants for consideration in the allotment of untenanted land to be acquired by voluntary or compulsory purchase, but some of these applicants on further enquiry may be found to be unsuitable. Of the balance (2,631) of the applications received up to 31st March, 1911, practically all have been received since the date specified in the Evicted Tenants Act (1st May, 1907), and will not be inquired into until the estates on which the applicants' former holdings are situate are being dealt with under the Land Purchase Acts.

The Returns published quarterly, in compliance with Section 3 of the Evicted Tenants Act, give detailed particulars of all evicted tenants, or their representatives, reinstated as purchasers on Estates sold or proposed to be sold through the Estates Commissioners.

Assistance given by Commissioners out of Reserve Fund to reinstated tenants.

During the year ended the 31st March, 1911, the Commissioners authorized, in connection with the reinstatement of evicted tenants, the expenditure of £41,991 10*s.* (of which £25,368 10*s.* was by way of free grant) out of the Reserve Fund for the improvement of holdings, erection of buildings, purchase of live stock, compensation to existing tenants on surrendering evicted lands, &c., bringing up the expenditure sanctioned for these purposes during the period ended 31st March, 1911, to £282,658 0*s.* 11*d.*, of which £203,275 0*s.* 11*d.* was by way of free grant.

Evicted Tenants Acts, 1907–8.

Under the provisions of the Evicted Tenants Acts, 1907 and 1908, the Estates Commissioners had acquired up to 31st March, 1911, in the case of 87 estates, land comprising 17,746A. 3R. 25P., including turbary and mountain, and of this area 14,264A. 2R. 2P. have been allotted to 353 evicted tenants, 103A. 2R. 24P. to two occupiers of evicted farms which they surrendered, and 3,039A. 1R. 4P., to persons coming within Section 14 of the Evicted Tenants Act, 1907, and the residue, 339A. 1R. 35P., had not been allotted on that date. In addition, proceedings were pending on the 31st March, 1911, in respect of 7,149A. 3R. 6P., situate on 33 estates.

In submitting this Report, we desire to express our deep regret for the loss which the Estates Commissioners have sustained by the recent death of the Right Honourable Michael Finucane, C.S.I. As one of the original Estates Commissioners appointed on the passing of the Act of 1903, his wide official experience acquired during his career in the Civil Service of India proved of the utmost value in the settlement of the procedure and organization of the Department. He devoted himself to the important duties of his office, and the progress of Land Purchase in Ireland owes much to his abilities and powers of administration.

By the resignation of Sir John Franks, C.B., the Commissioners suffered a further loss. For many years Sir John Franks held the position of Secretary to the Land Commission, and, on the passing of the Act of 1903, he became also Secretary to the Estates Commissioners. In this position his wide general knowledge and experience, especially in matters connected with Land Purchase Finance, were constantly availed of and most highly valued by the Estates Commissioners in the exercise of their special functions.

APPENDIX B.

REGULATIONS MADE BY THE LORD LIEUTENANT UNDER SECTION 23 (8) OF THE IRISH LAND ACT, 1903, AND SECTION 4 OF THE IRISH LAND ACT, 1909.

By the Lord Lieutenant-General and General Governor of Ireland.

ABERDEEN.

WHEREAS by the Irish Land Act, 1903, Section 23, Sub-section (8), it is enacted that the Estates Commissioners in carrying the provisions of the said Act into effect should be under the general control of the Lord Lieutenant, and should act in accordance with such regulations as might be made by Him from time to time, and whereas by the Irish Land Act, 1909, Section 4, it is enacted (1) that regulations might be made by the Lord Lieutenant for determining the priority in which advances whether by means of money or of stock or partly by means of money and partly by means of stock might be sanctioned or made, and for allocating between different classes of sales the amounts from time to time available for advances; (2) that the regulations should provide that in determining the priority as between sales of the same class regard should be had as far as was reasonably practicable to the dates at which proceedings for the respective sales were commenced, or in cases where proceedings were transferred from one class to another to the dates of the respective transfers, and (3) that every regulation made under the said Section should be laid before both Houses of Parliament as soon as might be after it was made.

And whereas by the Rules Publication Act, 1893, Section 1, it is provided that at least forty days before making any Statutory Rules, to which the said Section applies, notice of the proposal to make the said Rules and of the place where copies of the draft Rules might be obtained should be published in the *Dublin Gazette*, and whereas under the provisions of the Rules Publication Act, 1893, notice was given in the *Dublin Gazette*, dated 17th February, 1911, of the proposal to make regulations under Section 23, Sub-section (8), of the Irish Land Act, 1903, and Section 4 of the Irish Land Act, 1909 (either as originally drawn or as amended by the proper authority) as Statutory Rules under the provisions of the Rules Publication Act, 1893, and of the place where copies of the same might be obtained and all times have elapsed and all things have happened to enable the said regulations to be made as Statutory Rules.

Now We, John Campbell, Earl of Aberdeen, Lord Lieutenant-General, and General Governor of Ireland, hereby make the following Regulations under Section 23 (8) of the Irish Land Act 1903, and Section 4 of the Irish Land Act, 1909, and We hereby declare that these Regulations shall not come into force until the 1st day of April, 1911, and as from that date shall be in lieu of the Regulations dated the 15th day of February and 24th day of May, 1910.

Allocation of Money.

The sum of money which may become available for the purposes of advances during the financial year commencing 1st April, 1911, and during each succeeding financial year, after providing the necessary funds for the purposes of the Labourers Acts shall, until further order, be allocated in manner hereinafter appearing.

Of the sum of money so available—

(*a.*) Four-tenths shall be allocated for the purposes of carrying out sales of estates and holdings pursuant to the provisions of Sections 1-5 of the Irish Land Act, 1903, as amended by the Irish Land Act, 1909, where the advances are to be made in money alone.

(*b.*) Four-tenths shall be allocated for the purposes of carrying out similar sales where the advances are to be made partly by means of money and partly by means of stock.

(*c.*) One-tenth shall be allocated for the purposes of carrying out all other Land Commission sales for which advances in money are required, or made.

(*d.*) One-tenth shall be allocated for the purposes of carrying out all sales for the purposes of the Congested Districts Board for which advances in money are required or made.

Out of the sum allocated under paragraph (*c*), at least one-half of said sum shall be available for the purposes of carrying out all pending sales to the Estates Commissioners under Sections 6, 7, 8 of the Irish Land Act, 1903.

Out of the sum allocated under paragraph (*d*), at least three-fifths of said sum shall be available for the purposes of carrying out all pending sales for the purposes of the Congested Districts Board.

Priority in Cases of Pending Purchase Agreements and of Sales in which Advances are made in money.

For the purposes of determining the priorities between cases before the Estates Commissioners and the Congested Districts Board which under the provisions of the Irish Land Act, 1909, are to be financed as pending Purchase Agreements, or in which advances are made in money, the following Regulations shall apply:—

The Estates Commissioners shall cause three Principal Registers to be kept in their offices.

In the first of these Principal Registers (hereinafter referred to as "Principal Register of Direct Sales") all cases of direct sales pending before the Estates Commissioners which, under the provisions of the Irish Land Act, 1909, are to be financed as pending Purchase Agreements shall be entered in the order of priority in which the Agreements to Purchase the holding or parcels of land comprised in the Originating Application or the majority in number of such Agreements were lodged in the offices of the Estates Commissioners. Provided that where Agreements in respect of different estates are lodged

on the same day, such estates shall *inter se* be entered in the order of priority of their respective Record numbers.

In the second of these Principal Registers (hereinafter referred to as "Principal Register of Sales to the Estates Commissioners") all cases of sales pending under Sections 6, 7, and 8 of the Irish Land Act, 1903, which, under the provisions of the Irish Land Act, 1909, are to be financed as pending Purchase Agreements, or in which advances are made in money, shall be entered in order of priority as of the earliest date on which either (*a*) an Originating Request has been lodged in manner provided by Rules made under the Irish Land Act, 1903; (*b*) the Vendor has accepted a preliminary estimate of price made by the Land Commission, or; (*c*) the Land Judge has caused the Land Commission to be furnished with particulars and documents respecting the estate in pursuance of Section 7 of the Irish Land Act, 1903.

In the third of these Principal Registers (hereinafter referred to as "Principal Register of Sales to the Congested Districts Board") all cases of sales pending for the purposes of the Congested Districts Board which, under the provisions of the Irish Land Act, 1909, are to be financed as pending Purchase Agreements, or in which advances are made in money, shall be entered in order of priority as of the earliest date on which either (*a*) an Originating Request has been lodged in manner provided by Rules under the Irish Land Act, 1903; (*b*) the Vendor has accepted a preliminary estimate of price made by the Land Commission or has entered into a Preliminary Agreement with the Congested Districts Board with a view to the purchase of the estate, or; (*c*) the Land Judge has caused the Land Commission or the Congested Districts Board to be furnished with particulars and documents respecting the estate in pursuance either of Section 7 or of Section 77 of the Irish Land Act, 1903.

The Estates Commissioners shall further cause two Subsidiary Registers to be prepared to each of the said Principal Registers.

The Subsidiary Registers to the Principal Register of Direct Sales shall be called respectively Register of Direct Sales (Part Money, Part Stock) and Register of Direct Sales (All Stock).

The Subsidiary Registers to the Principal Register of Sales to the Estates Commissioners shall be called respectively Register of Sales to the Estates Commissioners (Part Money, Part Stock) and Register of Sales to the Estates Commissioners (All Stock).

The Subsidiary Registers to the Principal Register of Sales to the Congested Districts Board shall be called respectively Register of Sales to the Congested Districts Board (Part Money, Part Stock) and Register of Sales to the Congested Districts Board (All Stock).

The Estates Commissioners shall, as early as possible, in each calendar year, publish a notice in the *Dublin Gazette* drawing the attention of Vendors of estates in the case of pending Purchase Agreements to the provisions of the Irish Land Act, 1909, with reference to the making of advances by means of money and of Guaranteed 2¾ per cent. Stock, or partly by means of money and partly by means of said Stock, and inviting such Vendors who may desire that the advances in their cases may be made in whole or in part by means of such Stock, to apply to the Estates Commissioners on or before the 1st April in that year in manner prescribed in such Notice that the advances in the case of their estates may be made in whole or in part by means of such Stock.

In all cases in which, after the date of publication of such Notice, and on or before the 1st April following, applications are made by or on behalf of Vendors that the advances in their cases shall be made in part by means of such Stock, the Estates Commissioners shall forthwith cause all such cases to be entered on the Subsidiary Register, entitled ("Part Money, Part Stock") of the class of sales to which the applicant's case belongs, and the case of such Vendor shall forthwith be removed from the Principal Register. Provided always that no applicant shall be entitled to be placed on this Subsidiary Register (Part Money, Part Stock) unless he has agreed to take at least one moiety of his advance in Stock.

In all cases in which, after the date of the publication of such notice, and on or before the 1st of April following, applications are made by or on behalf of Vendors, that the advances in their cases shall be made wholly by means of Guaranteed 2¾ per cent. Stock, the Estates Commissioners shall, save as hereinafter mentioned, forthwith cause all such cases to be entered on the Subsidiary Register entitled "All Stock" of the class of cases to which applicant's case belongs, and the case of such applicant shall thereupon be removed from the Principal Register.

Cases shall be entered on the Subsidiary Registers in the relative order of priority of such cases according to the Principal Register from which they have been respectively removed.

Cases entered on a Subsidiary Register for any year, but not reached during that year, shall be entitled to keep their places on such Subsidiary Register for the ensuing and following years in their former priority, and in priority to all other cases which may be placed on such Subsidiary Register for the first time.

The Estates Commissioners may at any time, on the application by or on behalf of a Vendor transfer the case to the principal Register of the applicant's class, or from one Subsidiary Register to another, and in such case, the case so transferred shall be entered on such Principal or Subsidiary Register and take priority on the Register to which it is transferred as of the date of transfer.

Sales on each Principal and Subsidiary Register shall, so far as practicable, and having regard to the amount of money and stock available in each case be proceeded with as between the several Registers *pari passu*, and as between the cases entered on each Register respectively be proceeded with and the advances sanctioned respectively in the order of priority of that Register.

Provided always that for special reasons to be recorded in writing and forwarded to the Lord Lieutenant by the Estates Commissioners or the Congested Districts Board as the case may be, and subject to the approval of the Lord Lieutenant, it shall be lawful for the Estates Commissioners to proceed with and accelerate the sanction and making of the advance of the purchase money of any estate being sold to the Estates Commissioners or the Congested Districts Board, out of its ordinary order of priority.

Printed image digitised by the University of Southampton Library Digitisation Unit

Provided also that the Estates Commissioners and the Congested Districts Board shall take into consideration any default or delay on the part of Vendors and Tenant Purchasers in the discharge of the requirements of the Commissioners or the Board, or of any duty imposed on them, so as not to permit the same to retard the progress of proceedings or the making of advances in the cases of other Vendors and Tenant Purchasers.

In case it appears that the amount allocated as hereinbefore mentioned for any of the Subsidiary Registers entitled (Part Money, Part Stock) will not be required for the purpose of such Register, then the amount so allocated and not required may be utilised for carrying out sales on the Principal Register of the class in respect of which the money has been so allocated and is not so required.

In case it appears at any time during any financial year that the amount allocated for any class of cases is greater than is required for that class, then the amount so allocated and not so required may be utilised for such other class of sales as the Lord Lieutenant may direct.

Priority in cases of future Sales in which Advances are made in 3 Per Cent. Stock.

Future Sales, under Sections 1-5 of the Irish Land Act, 1903, as amended by the Irish Land Act, 1909, which, under the provisions of the Irish Land Act, 1909, are to be financed as future Purchase Agreements, shall be proceeded with, and advances sanctioned, so far as practicable in the order of priority in which the Agreements to Purchase were lodged in the office of the Estates Commissioners.

Sales of estates proposed to be sold to the Estates Commissioners under the provisions of Sections 6, 7, and 8 of the Irish Land Act, 1903, as amended by the Irish Land Act, 1909, other than those hereinbefore provided for shall, so far as practicable, be carried out by the Estates Commissioners in the order of priority as of the earliest date on which

(*a*) an Originating Request has been lodged in manner provided by Rules, or

(*b*) the Vendor has accepted a preliminary estimate of price made by the Land Commission, or

(*c*). the Land Judge has caused the Land Commission to be furnished with particulars and documents respecting the estates in pursuance of Section 7 of the Irish Land Act, 1903.

All other sales to be carried out by the Land Commission as distinguished from the Estates Commissioners shall be proceeded with and advances shall be sanctioned, so far as practicable, in the order of priority in which the Agreement was lodged in the office of the Land Commission.

Sales of estates proposed to be sold to the Congested Districts Board under the provisions of Sections 72, 77, and 79 of the Irish Land Act, 1903, as amended by the Irish Land Act, 1909, other than those hereinbefore provided for shall, so far as practicable, be carried out by the Congested Districts Board in the order of priority as of the earliest date on which either

(*a*) an Originating Request has been lodged in manner provided by Rules,

(*b*) the Vendor has entered into a preliminary agreement with the Congested Districts Board with a view to the purchase of the estate, or

(*c*) the Land Judge has caused the Congested Districts Board to be furnished with particulars and documents respecting the estate in pursuance of Section 77 of the Irish Land Act, 1903.

Provided always that the Estates Commissioners and the Congested Districts Board shall take into consideration any default or delay on the part of Vendors and Tenant Purchasers in the discharge of the requirements of the Commissioners, or of any duty imposed on them, so as not to permit the same to retard the progress of proceedings or the making of advances in the cases of other Vendors and Tenant Purchasers.
