## REPORT OF THE ESTATES COMMISSIONERS

FOR

THE YEAR FROM 1ST APRIL, 1916, TO 31ST MARCH, 1917.

AND FOR

THE PERIOD FROM 1ST NOVEMBER, 1903, TO 31ST MARCH, 1917.

TO HIS EXCELLENCY IVOR CHURCHILL, BARON WIMBORNE,  
LORD LIEUTENANT-GENERAL AND GENERAL GOVERNOR OF IRELAND.

---

The Estates Commissioners beg to submit the following Report of their proceedings under the Irish Land Acts, 1903-9, during the year ended 31st March, 1917, together with a summary of their proceedings for the period from 1st November, 1903, to the 31st March, 1917.

### INTRODUCTORY STATEMENT.

The Estates Commissioners are three Members of the Irish Land Commission who were appointed under the Act of 1903 for the sale of Estates under that Act, and detailed particulars of the proceedings before them under the Acts 1903-9 are given in the following Report and accompanying Tables up to the 31st March, 1917.

The Estates Commissioners think it is desirable to preface their Report with the following summary of the proceedings under the earlier Land Purchase Acts, *i.e.*, 1870-1896, also of the proceedings under the Acts of 1903-9 of the Irish Land Commission for the sale of *holdings*, as distinguished from proceedings for the sale of *Estates* through the Estates Commissioners under these Acts, so that, read in conjunction with the proceedings before the Estates Commissioners, it may be possible to see the progress which has been made in the transfer of land in Ireland under *all* the Land Purchase Acts.

It will be seen that up to the 31st March last £98,536,627 has been advanced under all these Acts in respect of lands representing a purchase money of £100,213,700, the difference having been lodged in cash by the purchasers, and that on that date lands representing a purchase money of £23,936,053 were pending for sale under these Acts, but advances had not yet been made in respect thereof.

The Land Purchase Provisions of the Act of 1870 were administered by the Board of Public Works (Ireland), and those of the Acts 1881-1896 by the Irish Land Commission ; detailed particulars of the Sales under these Acts are given in the Reports of these Departments. The advances under the Acts of 1870-1888 were made in Cash, and the advances under the Acts of 1891-6 were made in Guaranteed Land Stock ( $2\frac{3}{4}$  per cent.).

In addition, Estates of an estimated purchase money of £440,917 and £1,262,728\* were pending on the 31st March, 1917, for sale to the Estates Commissioners and the Congested Districts Board respectively, but in respect of which formal proceedings for sale had not been instituted before the Commissioners on that date.

\*Includes £99,655 Purchase Money of Estates pending for sale to the Board in the Land Judge's Court which will be advanced through the Land Commission.

*Mode of Payment under Acts 1903 and 1909.*

Up to the passing of the Act of 1909 all advances under the Act of 1903 were made in cash. To expedite the payment of the Purchase Money of sales of Estates pending under the Act of 1903, at the passing of the Act of 1909, Section 3 of the latter Act enabled Vendors in such pending sales to elect to take payment either wholly or partly in Guaranteed  $2\frac{3}{4}$  per cent. Stock at the price of 92, instead of waiting for payment in cash of the Purchase Money of their Estates, and, under Section 4 of the Act of 1909, Regulations have been made by the Lord Lieutenant for determining the priority in which advances whether by means of money or of stock, or partly by means of money and partly by means of stock, may be sanctioned or made, and for allocating as between the different classes of sales the amounts available for advances. The present Regulations were made on the 1st April, 1915 (No. 291 of the Statutory Rules and Orders, 1915).

Advances made in respect of Purchase Agreements in Direct Sales lodged after the 15th September, 1909, and in respect of Agreements entered into by or with the Land Commission or the Land Judge or the Congested Districts Board after that date, are made by means of the issue of an amount of Guaranteed 3 per cent. stock equal in nominal amount to the sum advanced and are repayable by Annuities at  $3\frac{1}{2}$  per cent. under the Irish Land Act, 1909, save as regards certain Estates and lands pending for sale under the Act of 1903 to the Commissioners and the Board at the passing of the Act of 1909 which are to be paid in cash, with  $3\frac{1}{4}$  per cent. Annuities on resale.

The Purchase money of lands acquired by the Estates Commissioners and Congested Districts Board by means of "Final Offers" under Sections 43 and 60 of the Act of 1909, and of lands acquired under the compulsory provisions of Part IV. of that Act, is advanced in Cash repayable on resale by Annuities at  $3\frac{1}{2}$  per cent.

The total advances made during the year and period ended 31st March last for the sale of Estates under the Irish Land Acts, 1903-9, were as follows:—

	Year ended 31st March, 1917.	Period from 1st November, 1903 to 31st March, 1917.
	£	£
In all Cash ... ..	1,143,004	52,233,100

In 3 per cent. Stock, ... ..	646,719	6,335,945
Total ... ..	2,113,925	73,137,123

These Advances were made for the purchase of Estates and are, therefore, exclusive of advances made on resale of Estates purchased by the Commissioners and the Congested Districts Board to tenants for the purchase of their holdings, which advances according as the holdings are vested in the tenants are written off the advances already made for the purchase of the Estates. They are also exclusive of advances made to purchasing tenants for improvements and repayable as part of their Purchase Annuities.

Where not otherwise stated, the expression "period" in this Report means the period from 1st November, 1903, the date on which the Irish Land Act, 1903, came into operation, to 31st March, 1917, and the expression "year" means the year ended 31st March, 1917.

The expression "Parcels" used in the Tables of this Report refers to parcels of untenanted land sold or agreed to be sold to purchasing tenants and others, either as enlargements of existing holdings or as new holdings and where such parcels have been consolidated with the existing holdings of the purchasers it is so stated.

The references in brackets throughout the Report are to the sections of the Act of 1903, unless where otherwise specifically stated.

\*The figures in this statement are the advances in respect of which the Land Purchase Annuities are payable: where the advances were made either wholly or partly in Guaranteed  $2\frac{3}{4}$  per cent. Stock the amount of Stock issued to the Vendors was the equivalent of the sums advanced, taking the price of issue at 92 in accordance with Section 3 (2) of the Act of 1909. See also Note to table on previous page.

## CLASSIFICATION OF SALES OF ESTATES UNDER ACTS 1903—9.

Sales of Estates under the Acts of 1903-9 are effected by the Owners direct to the Tenants (Direct Sales) and by the Owners to the Estates Commissioners or the Congested Districts Board, and in the following pages the Commissioners deal in detail, under their respective headings, with the various classes of sales and other matters which are within their jurisdiction under these Acts.

## I.

## DIRECT SALES BY OWNERS TO TENANTS.

In this class of sale the formal proceedings before the Commissioners are instituted by the lodgment of an application by the Owner, termed an Originating Application, describing the lands the Owner asks to have declared an Estate for the purposes of sale under the Acts 1903-9. During the period 1st November, 1903 to 31st March, 1917, Originating Applications to the number of 8,624 were lodged. Of these, 17 were lodged in the year ended 31st March, 1917.

Origination of proceedings.

The terms of purchase are arranged between the Owner and his Tenants, and are embodied in Purchase Agreements prepared in the prescribed form and lodged with the Commissioners. In these Agreements the Purchasing Tenants, *inter alia*, contract to pay, in lieu of rent, interest on their agreed purchase moneys until the holdings are vested by the Commissioners in the Tenants and the purchase money is advanced.

Advances in respect of Purchase Agreements in Direct Sales under the Act of 1903, lodged prior to 15th September, 1909, are made in cash and repayable by 3½ per cent. Annuities, and under the Act of 1909 advances in Agreements lodged after that date are made in Guaranteed 3 per cent. Stock, repayable by 3½ per cent. Annuities. To expedite the payment of the purchase money of sales of Estates pending under the Act of 1903 at the passing of the Act of 1909, section 3 of the latter Act enabled Vendors in such pending Sales to elect to take payment either wholly or partly in Guaranteed 2¾ per cent. Stock at the price of 92, instead of waiting for payment in cash of the purchase money of their Estates. Under the Regulations made pursuant to section 4 of the Act of 1909 the pending Sales under the Act of 1903 are proceeded with and the advances made in their order of priority on the All Cash Register, the Half Cash Half Stock Register, and the All Stock Register.

Advances under Act of 1903 made in cash with 3½ per cent. Annuities, and under Act of 1909 in 3 per cent. Stock with 3½ per cent. Annuities.

*Completed Direct Sales.—Advances Made.*

### III.

#### RESALE OF ESTATES PURCHASED BY THE ESTATES COMMISSIONERS.

Estates purchased by the Estates Commissioners under the Acts of 1903-9 are acquired for the purpose of resale to the tenants and other purchasers under those Acts. When the rearrangement and enlargement of holdings and other improvements which the Commissioners consider desirable have been completed the lands are vested in the purchasers subject to Purchase Annuities, the Advances in respect thereof being written off the Advances already made to the Commissioners for the purchase of the Estates.

As already stated, 994,350 acres, situate on 1,068 Estates, and representing a Purchase Money of £9,046,114, had been purchased by and vested in the Estates Commissioners up to the 31st March, 1917. These lands comprised 656,490 acres of tenanted land and 337,860 acres of untenanted land and Demesnes.

Area purchased by and vested in Commissioners for purposes of resale.

The general practice of the Commissioners is to prepare their Schemes of allotment before taking over possession of the untenanted land, and they place the allottees in occupation immediately on taking over possession; Purchase Agreements at prices fixed by the Commissioners are at the same time signed by the tenants for their holdings and by the allottees for their allotments. The lands are vested in the purchasers as soon as practicable after such improvements as the Commissioners may decide to carry out have been completed and other matters have been disposed of, and meanwhile the purchasers pay interest on their purchase moneys in lieu of rent.

Procedure as to resale.

In Tables XVII. to XX., detailed particulars are given, by Provinces and Counties, of the lands sold and vested on resale in the purchasers during the period and year ended 31st March, 1917, and the particulars are summarised in the following Tables:—

## NEGOTIATION FEES (SECTION 23, S.S. 11 AND 12).

During the year ended 31st March, 1917, the Commissioners sanctioned, under section 23, s.s. 12 of the Act of 1903, Negotiation Fees in respect of 176 estates on which an agent had been employed by the Vendor to negotiate the sale of such estates to persons other than the Land Commission. The total fees sanctioned amounted to £26,583 9s. 1d., which sum represents an average percentage of 2·4 on the aggregate purchase moneys. The total amount of fees sanctioned from the commencement of the Act up to the 31st March, 1917, was £949,881 19s. 11d., in respect of 4,030 estates, the average percentage being 2·5.

During the year under review fees amounting to £408 6s. 8d. were, with the assent of the Treasury, paid, under section 23 s.s. 11, as part of the expenses of the Land Commission to negotiators of sales of estates to the Commissioners under sections 6, 7 and 8, this sum representing 0·28 per cent. on the aggregate purchase moneys. The total amount paid during the period from the commencement of the Act up to 31st March, 1917, was £19,541 10s. 6d., this sum representing 0·44 per cent. on the aggregate purchase moneys. In the case of estates sold to the Land Commission, the duties of the Negotiator are, as a rule, confined to negotiating the sale of the property to the Commissioners; the arrangements for the resale to the tenants, including the striping and allotment of untenanted land, the re-arrangement, enlargement, and improvement of holdings, are carried out by their Inspectors and other officials.

## XI.

## QUESTIONS OF LAW (SECTION 23, S.S. 1).

In the period from 1st November, 1903, to 31st March, 1917, 137 questions of Law referred by the Estates Commissioners, pursuant to Section 23 (1) of the Act of 1903, were decided by the Judicial Commissioner.

## XII.

## ACCOMMODATION FOR LABOURERS (SECTION 96).

During the period ended 31st March, 1917, the Commissioners forwarded to rural District Councils and to the Local Government Board 189 representations or reports advising that 322 cottages should be erected to supply the needs of 279 holdings. Advances amounting to £5,758 have been made to agricultural labourers under Section 2 of the Act of 1903 and Section 19 of the Labourers (Ireland) Act, 1906.

Information as to the advances made to Rural Councils pursuant to Section 16 of the Labourers Act, 1906, is given in the Report of the Irish Land Commissioners for the year ended 31st March, 1917.

## XIII.

## SPORTING RIGHTS (SECTION 13).

In the 9,185 estates for the purchase of which advances were made by the Estates Commissioners during the period from 1st November, 1903, to the 31st March, 1917, the sporting rights were dealt with as follows:—

In 119 estates exclusive sporting rights were preserved to superior landlords.

In 9,066 estates sporting rights within the definition of Section 13, s.s. 2, of the Irish Land Act, 1903, were vested as follows:—In 6,504 estates in the purchasers; in 1,015 in the vendors; in 622 in the purchasers concurrently with the superior landlords; in 21 in the purchasers concurrently with the vendors; in 22 partly in the purchasers and partly in the purchasers concurrently with the superior landlord; in 23 partly in the purchasers and partly in the superior landlord; in 26 partly in the purchasers and partly in the Land Commission; in 92 in the vendors concurrently with the superior landlords; in 61 in the Land Commission concurrently with the superior landlords; in 121 partly in the purchasers and partly in the vendors; in 253 in the vendors for life, afterwards in the purchasers; in 15 partly in the vendors and partly in the Land Commission; in 4 partly in the vendors, and partly in the superior landlords; and in 287 in the Land Commission.

It will be observed that the number of estates in which the exclusive sporting rights have been vested in the Land Commission is small compared with the number of estates sold, and it has not been found that the sporting rights on these estates are of value. In 20 cases, however, the sporting rights have been leased by the Commissioners.

## XIV.

## MINES AND MINERALS (SECTION 13).

In the 9,185 estates for the purchase of which advances were made by the Estates Commissioners during the period from 1st November, 1903, to the 31st March, 1917, the right of mining and taking minerals was dealt with as follows:—

In 7,927 estates they were reserved to the Land Commission; in 890 to the superior landlords; in 320 partly to the superior landlords and partly to the Land Commission; in 1 partly to the superior landlord and partly to the vendor; in 2 to the superior landlord and Land Commission jointly; in 15 partly to the vendor and partly to the Land Commission; in 2 partly to the purchaser and partly to the Land Commission; in 1 partly to the purchaser, partly to the vendor, and partly to the Land Commission; in 1 partly to the superior landlord and partly to the vendor; in 1 partly to the superior landlord and partly to the purchasers; and in 25 to the vendor. In the case of one holding on an Estate the mining rights were vested in the purchaser. In 11 cases the Commissioners have made prospecting leases.

## XV.

## RESERVATION OF ANCIENT MONUMENTS (SECTION 14).

In the case of 105 ancient or mediæval monuments situate on Estates being sold under the Act, the Commissioners of Public Works or the Councils of the following Counties have intimated their willingness to have the monuments vested in them under Section 14, i.e., Commissioners of Public Works, 34 (in one of these cases, on the tenant's giving an undertaking to keep the monument in repair, it was vested in him along with the holding)—Armagh, 1; Cavan, 5; Clare, 5; Cork, 11; Donegal, 1; Down, 3; Galway, 6; Kildare, 4; Kilkenny, 2; King's County, 2; Limerick, 1; Louth, 1; Meath, 1; Queen's County, 3; Roscommon, 1; Tipperary, 7; Tyrone, 4; Waterford, 4; Westmeath, 6; Wexford, 2; Wicklow, 1.

## XVI.

## REINSTATEMENT OF EVICTED TENANTS.

Sub-section 1 (d) of Section 2 of the Irish Land Act, 1903, provided that in the case of the sale of an Estate under that Act, advances for the purchase of parcels of land might be made to, amongst others:—

Section 2 (1) (d) of Irish Land Act, 1903.

"A person who within twenty-five years before the passing of this Act was the tenant of a holding to which the Land Law Acts apply, and who is not at the date of the purchase the tenant or proprietor of that holding; Provided that in the case of the death of a person to whom an advance under this paragraph might otherwise have been made, the advance may be made to a person nominated by the Land Commission as the personal representative of the deceased person."

This sub-section was repealed by the Irish Land Act, 1909, but re-enacted in practically similar terms by sub-section 1 (c) of Sec. 17 of that Act.

At the time the Act of 1903 came into operation, the Estates Commissioners had no direct evidence of the number of persons who might be expected to apply pursuant to this Sub-section. It appears, however, from the Report, dated the 25th February, 1893, of the Evicted Tenants Commission, presided over by the late Mr. Justice Mathew (Parliamentary Paper Cd. 6935 of 1893), that there were on the 17 Plan of Campaign Estates enquired into by the Commission, 884 tenants out of occupation of their holdings at the date of the Report, also that 2,755 applications had been received by that Commission from evicted tenants or their representatives in respect of Estates other than the Plan of Campaign Estates specially enquired into by that Commission, making a total at that date of 3,639 applicants.

Evicted Tenants Commission Report, 1893

Under Section 1 (2) of the Evicted Tenants Act, 1907, the evicted tenants to whom that Act applies are persons mentioned in Section 2 (1) (d) of the Irish Land Act, 1903, who or whose predecessors were evicted from their holdings in consequence of proceedings taken by or on behalf of their landlords, and who made application to the Estates Commissioners before the 1st May, 1907, to be put in occupation of holdings. Applications received since that date are inquired into and considered when the Estates on which the applicants' former holdings are situate are being dealt with by the Commissioners under the Land Purchase Acts.

Section 1 (2) of the Evicted Tenants Act, 1907.

In their Special Report dated the 11th June, 1907 (Cd. No. 3570 of 1907), the Commissioners explained their practice and the principles they act on in dealing with applications.

Special Report of June, 1907.

Table XXXIII. appended to this report gives detailed particulars, by Counties, of the number of applications received by the Estates Commissioners from persons seeking reinstatement as Evicted Tenants or their representatives, the number of applicants reinstated in their former holdings or provided with new holdings, the number refused, and the number provisionally noted for consideration in the allotment of untenanted land as acquired by the Commissioners.

(Table XXXIII).

On the 31st March last, 1,850 evicted tenants (or their representatives) had been reinstated in their former holdings or provided with other holdings by landlords, with the assistance, where necessary, of grants by the Commissioners, and 1,660 were reinstated or provided with other holdings by the Commissioners on Estates purchased by them, making a total of 3,510 evicted tenants reinstated or provided with other holdings to 31st March last.

No of Evicted Tenants reinstated or provided with new holdings.

In the case of 539 of the 1,850 reinstated by landlords, the restoration was the direct result of the intervention by the Commissioners, and at prices suggested and sanctioned by them, but, as the Estates on which the holdings were situate were being sold direct by the owners to the tenants, the owners entered into agreements direct with the evicted tenants at the prices estimated by the Commissioners.

Under the compulsory provisions of the Evicted Tenants Acts, 1907-8, which expired on the 31st December, 1912, the Commissioners acquired on 124 estates lands comprising 26,505A. 1R. 28P. (including turbary and mountain), and of this area, 21 279A. 1R. 8P. have been allotted to 513 evicted tenants, 103A. 2R. 24P. to two occupiers of evicted farms which they surrendered, and 5,122A. 1R. 36P. to persons coming within Section 14 of the Evicted Tenants Act, 1907.

(Table XII).

During the year ended the 31st March, 1917, the Commissioners authorized, in connection with the reinstatement of evicted tenants, the expenditure of £2,939 0s. 0d. (of which £1,638 0s. 0d., was by way of grant) for the improvement of holdings, erection of buildings, purchase of live stock, &c., bringing up the expenditure sanctioned for these purposes during the period ended 31st March, 1917, to £370,014 17s. 11d. of which £253,475 15s. 6d. was by way of grant.

Expenditure sanctioned for equipment of holdings of reinstated Evicted Tenants.

In submitting this Report we regret to record the recent death of the Right Honourable William Frederick Bailey, C.B., Estates Commissioner. Mr. Bailey was appointed in 1887 a Legal Assistant Commissioner of the Irish Land Commission, and, on the passing of the Act of 1903, was chosen for appointment as one of the three original Estates Commissioners. His intimate knowledge of Irish Land Law proved of the utmost value in the administration of the extended system of Land Purchase inaugurated by the Act of 1903, the subsequent success of which has in a considerable degree been due to his conspicuous energy and ability.

We also regret that Mr. Charles T. Beard, C.B., I.S.O., has, owing to ill-health, resigned his position as Secretary to the Irish Land Commission and Estates Commissioners, and we desire to express our high appreciation of the services rendered by him during his tenure of office.
